

Anas Sakkal
Consultant Engineer
Elevators and Escalators

About Us

Founded in 2007, Sama Elevators is one of the leading companies specialized in the design, manufacturing, installation, and maintenance of elevators in Syria and the region. Sama is committed to the highest standards of quality and global safety, relying on the European standard EN81 to deliver reliable and advanced products that meet diverse customer requirements

Our Vision

To be the first choice in the elevator industry in the region by providing innovative, safe, and efficient technical solutions that meet our clients' aspirations and contribute to the development of modern building infrastructure.

Our Mission

To deliver high-quality products and services in the elevator field, focusing on innovation, safety, and customization to meet every client's needs, with commitment to the highest safety standards and regular maintenance.

Our Services

- ▶ Residential and Commercial Elevators: Featuring advanced designs and high performance.
 - ▶ Panoramic Elevators: Combining aesthetics and performance to provide a unique experience.
 - ▶ Freight Elevators: Safely and efficiently transporting goods within industrial and commercial facilities.
 - ▶ Hydraulic Elevators: Suitable for mid-rise buildings.
 - ▶ Commercial Center Elevators: Designed to handle high traffic in malls and marketplaces.
 - ▶ High-Speed Elevators for Tower Buildings: Designed to efficiently and smoothly operate at great heights.
 - ▶ Modernization and Upgrade of Old Elevators: Enhancing performance and safety levels.
 - ▶ Elevators for Historical Buildings: Special solutions that preserve historical character while offering comfort and functionality.
-
- ▶ Custom Elevators: Tailored design and implementation to meet special requirements.
 - ▶ Escalators: Installation and maintenance of moving stairs for modern facilities.
 - ▶ Periodic and Emergency Maintenance Services: To ensure continuous operation and optimal elevator performance.

Our Values

- ▶ Quality and Excellence
Safety and Security.
- ▶ Innovation and Continuous
Development.
- ▶ Commitment to Customer Service.
- ▶ Environmental Respect and
Sustainability Standards.
